

## News from the Lay Director for November 2017

Here it is November already, and it won't be long until we are shoveling that good old white stuff. I know we really don't want to think about that, but it is the season. As we prepare for the upcoming season let us give thanks for all that we have and are thankful for. Let's see, November starts off with honoring our Veterans and the hunting season for our hunters. Then we start preparing for Thanksgiving. This year as we celebrate Thanksgiving let's reach out to someone we know who has been missing from church recently. Let's invite them back. Ask them to attend the Thanksgiving Mass with you. After all it is part of our calling as cursillistas to reach out and make a friend and be a friend and bring that friend to Christ through Cursillo.

I also want to let you know that we have a new vice lay director. Rose Compo has stepped up and will work to continue to promote Cursillo alive in our Diocese. We still have a few positions open on the secretariat now and a few opening up at the end of the year. So if you know of someone who would like to serve please have them contact me.

Our movement is so important in many ways. It is not just important to those that have made a Cursillo but also to our church. The church counts on Cursillo to help keep our faith alive and active. Yes, you don't hear about Cursillo every day, but it is vital. Cursillo is needed for each and every one of us to share our faith with friends and family. That helps our church to grow and prosper. We are the behind the scenes work force for the church. So, please don't stop going to ultreyas or reunion or school of leaders. Keep that fire burning for Christ in our day to day life.

Please take time to celebrate everything you are thankful for. Let God's light shine in all of us.

I will be listing all the positions that are open in my December letter.

My prayer for this Thanksgiving is that all of you and your families have a wonderful memory making Thanksgiving.

God Bless & Decolores
